Low Poly School Classrooms & Offices

V1.0

Versions History:

1.0 – Initial version

Overview:

A complete, modular pack featuring a range of classroom interiors, offices and characters. Each room has a dedicated demo scene, along with an arrangement combining all classrooms on one floor with a connecting corridor.

INTERRIORS:

- **Classrooms:** Two classrooms, computer, music, chemistry lab and biology lab
- **Offices:** Teacher's and principal's office.
- **Other:** Restrooms
